

## DYNAmore Nordic Newsletter

Issue 11 - August 16, 2013

### LS-DYNA and ANSA Information Day in Göteborg, September 26.

We remind you about our Information Day which will take place on the 26<sup>th</sup> of September at Hotel 11 ([www.hotel11.se](http://www.hotel11.se)) in Göteborg.

Very interesting presentations will be held from some of the staff at DYNAmore Nordic as well as external experts.

You will find presentations of the latest development in composite materials, implicit simulations and examples for the new R7 solvers (CFD and EM).

To register and find the full agenda, follow this link [Information day Göteborg 2013](#).

Do not miss the opportunity to attend this event since it will give you the latest news about the products from LSTC and BETA CAE Systems!

The Information Day is free of charge!

### Inaguration of our NEW DYNAmore Nordic office in Göteborg

In connection to our information day, we will arrange an event on the evening the 25<sup>th</sup> of September to officially inaugurate our NEW office in Göteborg, at Theres Svenssons gata 10.

The event starts at 18.00 and we will serve food and beverage and listen to a very interesting presentation from an external speaker.

The number of participants will be limited register here, [New office](#)
