LS-DYNA and ANSA Information Day in Oslo, May 28

DYNAmore Nordic and Gompute hereby cordially invite you to attend the information day on 28 of May 2013, in Oslo, Norway.

We are happy to announce that **Trygve Ilstad from Statoil and Hagbart Alsos from Reinersen A/S** will join us and give very interesting presentations!

We will present offshore and maritime applications in LS-DYNA and ANSA/mETA. We will also show the latest development of SESAM support in ANSA.

9th European LS-DYNA Conference. Manchester, June 2

The 9th European LS-DYNA Conference is your chance to talk with industry experts, catch up with colleagues and enjoy time exploring new surroundings.

Experts from academia and industry will present their work to colleagues, and LS-DYNA developers will be talking about the latest software developments. Sponsors and exhibitors will be showcasing a range of hardware and software solutions as well as a number of services relating to LS-DYNA. There will be opportunities to catch up with friends in the industry during the social event and Welcome Reception on Sunday as well as the Gala Dinner being held at the Museum of Science and Industry on Monday evening. Read more here.

5th ANSA & µETA International Conference , June 5

Being consistent to our biannual appointment, it is our pleasure to invite you to attend the
5th ANSA & µETA International Conference
that will be held from June 5th to June 7th 2013, at The MET Hotel, Thessaloniki, Greece.

Invited speakers:

- Mr. Josef Fuerfanger from BMW
- Mr. Frank Sautter from Porsche and
- Mr. Toshihiro Araki from Nissan.

Each day, at a morning plenary session, one of our distinguished guests will give an inspiring presentation

The agenda accommodates almost 50 presentations, from various industries and numerous application domains. Download the Preliminary Agenda and proceed to your registration on time.

Best regards/Med vänliga hälsningar
