Dear Elizabeth Mäki Björklund

Issue 35 - April 18, 2018

15th International LS-DYNA Conference & Users Meeting

We are happy to invite you to the 15th International LS-DYNA conference in Detroit, USA, June 10-12.

We have over 200 papers that will be presented and confirmed keynote presentations from:

Prof. Thomas J.R. Hughes (University of Texas),
Dr. Tsuyoshi Yasuki (Toyota Motor Corporation),
Dr. Paul Du Bois,
Dr. Anantharam Sheshadri (Fiat Chrysler Automobiles),
Dr. Danielle Zeng (Ford Motor Company),
Dr. Mark Palmer (Medtronic),
Dr. John O. Hallquist (LSTC).

For more information please visit: www.ls-dynaconferences.com

Nordic LS-DYNA User's Conference 2018 – Call for Papers

The conference will take place the 18-19th of October 2018 in Gothenburg.

The venue for the event is Svenska Mässan/Gothia Towers, for more info please visit [the conference homepage](#)

Interested in giving a presentation?

Please read the [Call for papers](#) and contact us at DYNAmore Nordic.

Deadline for submission: **1st of June**

German LS-DYNA Forum 2018 – Call for Papers online

The 15th German LS-DYNA Forum will take place from 15 to 17 October 2018 in Bamberg.

The Call for Papers is already running and all relevant information can now be viewed online in PDF format.

We are looking forward to receiving numerous submissions.

Please visit the [official website](#) for more information.

WinSuite and LS-Run

From the release of LS-DYNA R10.0, there is a new installation package for Windows. With a single installation file, you will get all the major software products from LSTC; LS-DYNA, LS-PrePost, LS-OPT, LS-TaSC and LS-Run.

It also includes the LS-DYNA license server, manuals, several ready-to-run LS-DYNA example models and some tutorials which are suitable for LS-DYNA beginners.

Information videos for LSTC-WinSuite and LS-Run:

Reduced Service - Office Unmanned

April 19-20

On April 19 and 20 we will have a reduced staff for support. Please send support messages to support@dynamore.se as usual, but please allow for longer response time than usual. We apologize for any inconvenience this may cause.

July 16-27

The last two weeks in July, 16th to 27th, the office will be closed. In urgent situations please call our support (+46 13 236680) or send an e-mail to support@dynamore.se to receive information on how to proceed to contact our on duty staff.

A-HBM IV, Active human body models for virtual occupant response, step 4

Recently funding by FFI/Vinnova was granted for the research project Active human body models for virtual occupant response, step 4 (A-HBM IV).
