

## Dear Newsletter Reader

We are pleased to share our latest news and recent information about LS-DYNA and our services at [DYNAmore Nordic](#).

## Our News

### Acquisition Agreement

We are pleased to announce that Ansys has entered into a definitive agreement to acquire the DYNAmore business from DYNAmore Holding GmbH. With this step, which is currently under review of the German anti trust agency, both parties will join forces to provide high end solutions and services in computational mechanics.

More details can be found at our [press release](#).

If you have any questions, please do not hesitate to reach out to your contact persons either at Ansys or DYNAmore.

With kind regards  
Your DYNAmore Team
