

INVITATION

Dear LS-DYNA user,

It is a pleasure to invite you to the Nordic LS-DYNA Users' Forum 2014. On October 9-10th, LS-DYNA users from the Nordic countries, the Baltic states and the rest of Europe will meet at Hotel 11 in Gothenburg, Sweden.

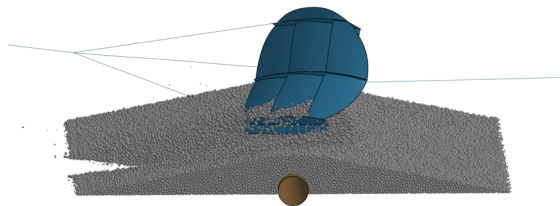

The conference will provide a great opportunity to share and discuss experiences, to obtain information on upcoming features in LS-DYNA and LS-OPT, and to learn more about new application areas.

The central part of the event will be the user presentations. You are very welcome to contribute with a presentation on the software and its usage. This is the ideal forum to discuss your experiences with LS-DYNA and LS-OPT with other expert users in simulations of complex mechanical problems.

Keynotes by renowned speakers on the latest options in LS-DYNA and LS-OPT by program developers are also planned. In an accompanying exhibition, you will receive comprehensive information about hardware and software related to LS-DYNA. In addition, three courses are given in connection with the Forum, namely an introductory course to get started with Non-linear Implicit Analyses in LS-DYNA and two courses about contacts in LS-DYNA.

We are looking forward to welcoming you either as presenter, exhibitor, or attendee.

CALL FOR PAPERS

Presentations

We are expecting user presentations from all LS-DYNA and LS-OPT applications. We would appreciate your abstract submission from the following application areas:

Crash
Occupant safety, airbag, dummy
Metal forming, cutting
Optimization, robustness analysis
Spotweld, bonding technologies
Implicit applications
Pedestrian safety
Impact, drop tests
Plastics
Composites
Ballistics and penetration
Material failure
Fluid structure interaction, CFD
Earthquake safety
Containment analysis
CAE process intergration
...

From the industry areas:

Automotive
Aerospace
Energy
Ship building
Offshore
Defense
Transportation
Biomechanics
Civil engineering
Packaging
...

Abstract submission

Please e-mail title, author(s) and a short summary (approx. 300 words) to conference@dynamore.se.

Dates

Submission of proposed paper: June 15
Author notification: June 30

Presentation length

20 minutes including discussion time.

Conference language

English.

ORGANIZATION

Conference venue and accommodation

Hotel 11, Gothenburg, Sweden
Phone: +46 (0)31 - 779 11 11
Fax: +46 (0)31 - 779 11 10
E-mail: q.hotel11@choice.se
www.hotel11.se

Please use reference number acquired at registration when making your hotel reservation.

Conference date

October 9-10th 2014

Participation fees

Free of charge

Hardware and software exhibition/sponsoring

Please request further information.

Pre- and post conference courses

Getting started with Impact Analysis in LS-DYNA

Date: October 7th 2014
Lecturer: Dr. J. Forsberg
Course fee: 5.000 SEK

Getting started with Non-linear Implicit Analyses in LS-DYNA

Date: October 8th 2014
Lecturer: Dr. A. Jonsson
Course fee: 5.000 SEK

Contacts in LS-DYNA

Date: October 8th 2014
Lecturer: Dr. J. Forsberg
Course fee: 4.000 SEK

Read more about the courses at www.dynamore.se/en/training. Please e-mail your course registration to course@dynamore.se.

Further information

Please find continuously updated details about the conference at dynamore.se/en/training/conferences/upcoming/ls-dyna-forum-2014

Registration and contact

Registration

I would like to submit a paper for the Nordic LS-DYNA Users' Forum 2014

Presentation title: _____

Author(s): _____

Application area: _____

I will send a summary (approx. 300 words) by e-mail to conference@dynamore.se.

I would like to register my attendance at the Nordic LS-DYNA Users' Forum 2014

I would like to register my attendance for the conference course:

Getting started with Impact Analysis in LS-DYNA

Getting started with Non-linear Implicit Analyses in LS-DYNA

Contacts in LS-DYNA

I am interested in LS-DYNA/LS-OPT and/or your services. Please contact me.

Please send me the conference invitation with agenda.

Please send me exhibition and sponsoring information.

Sender

First name/Surname: _____

Company/University: _____

Dept./Institute: _____

Street: _____

ZIP code, City: _____

Phone: _____

E-mail: _____

Date, Signature: _____

Please complete and mail, e-mail or fax to:
DYNAmore Nordic AB, Elin Ekman, Brigadgatan 14, SE-587 58 Linköping, Sweden
Fax: +46 (0)13 - 21 41 04, E-mail: elin.ekman@dynamore.se
