

DYNAMORE NORDIC INFORMATION DAY 2015

WEDNESDAY OCTOBER 14

Courtesy of Volvo Cars

Dear LS-DYNA user,

It is a pleasure to invite you, free of charge, to the DYNAmore Nordic Information Day 2015, on October 14. We will meet at Hotel 11 in Gothenburg, Sweden.

The conference will provide a great opportunity to share and discuss experiences, to obtain information on upcoming features in LS-DYNA and LS-OPT, and to learn more about new application areas.

The evening before, October 13 at 18.00, we will have a get together with a buffet dinner at our office, Theres Svenssons gata 10 in Gothenburg.

We are looking forward to seeing you there!
