

DYNAmore Nordic and BETA CAE Systems hereby cordially invite you to attend the OFFSHORE information day on 11 of November 2015, in Göteborg. We will show you capabilities of the state-of-the-art finite-element software LS-DYNA from LSTC and of the pre- and postprocessing tools ANSA and mETAPOST from BETA CAE Systems.

Conference venue

SCANDIC CROWN, Gothenburg, Sweden
 Polhemsplatsen 3, 411 11 Göteborg
 Phone: +46 31 751 51 00
 E-mail: crown@scandichotels.com

Participation fees

Free of charge

Online registration
